

Galkissage Janidu Sandaruwan Priyabhashitha

IT Undergraduate | Web Developer | Digital Product Builder

Building practical digital solutions for students, businesses and everyday users.

Sri Lanka | janidustech@gmail.com | Portfolio | ToolsByJ

PROFILE

An IT undergraduate and digital product builder who enjoys turning real problems into clear, useful digital experiences. I bring together creativity, leadership and a practical approach to learning through projects.

LONG-TERM VISION

To establish a software company that creates practical technology solutions for people and businesses.

PRIMARY FOCUS

- Web development
- Mobile application development
- UI/UX and digital product design
- Business systems and databases

CORE STRENGTHS

- Leadership and team coordination
- Fast learning and self-development
- Creative problem-solving
- Explaining ideas clearly to students
- User-focused visual thinking

WORKING TOOLS

- VS Code, GitHub and Figma
- Android Studio
- Vercel and Supabase
- DigitalOcean

FEATURED DIGITAL WORK

ToolsByJ Founder & Builder

A developing platform of practical digital tools for university students and everyday users.

- Designed the product direction and responsive user experience for mobile and desktop users.
- Building a central space for student tools, everyday utilities, creator tools and business helpers.

FOCUS: STUDENT SUPPORT | PRODUCT BUILDING | USER EXPERIENCE

Study Hub By J Creator & Developer

A student-support initiative that makes revision resources easier to access, understand and use.

- Create interactive quizzes, revision resources and clear study support for university students.
- Use student-friendly structure and communication to make difficult topics more approachable.

FOCUS: EDUCATION SUPPORT | CONTENT DESIGN | STUDENT COMMUNITY

JP Fashion POS & Clothing Business System Developer

A web-based business system project for a fashion retail environment.

- Built a web-based system to support sales, inventory and daily management workflows.
- Connect practical business needs with a real-world digital solution and ongoing improvement.

FOCUS: BUSINESS SYSTEMS | OPERATIONS | DIGITAL SOLUTIONS

BUSINESS & LEADERSHIP EXPERIENCE

Co-Director JP Fashion (Pvt) Ltd

Support business operations, customer experience and technology-aware improvement within a fashion retail environment.

Marketing Manager JP Group

Lead marketing communication, visual content and digital promotion with a clear audience-focused approach.

EDUCATION

EDUCATION

BSc (Hons) in Information Technology

Sri Lanka Institute of Information Technology (SLIIT)

June 2025 Intake | Expected Completion: 2029

ACADEMIC FOUNDATION

G.C.E. Advanced Level (A/L)

Mathematics Stream - Passed

G.C.E. Ordinary Level (O/L)

Passed

DEVELOPMENT DIRECTION

- Web development and digital platforms
- Mobile application development
- UI/UX and product design
- Exploring AI and cybersecurity

PERSONAL INTERESTS

- Helping students through technology
- Entrepreneurship and digital products
- Design, content creation and storytelling
- Fitness, athletics and technology

PROFESSIONAL APPROACH

Practical, curious and organised. I prefer learning by building, improving and testing real ideas.

ADDITIONAL DIGITAL WORK

Task Management Android App [Mobile App Developer](#)

An Android task-management app created to help users organise tasks and receive reminders.

- Planned a simple everyday task and reminder experience with usability as the main priority.
- Gained practical exposure to Android app preparation, tester feedback and the Google Play testing process.

FOCUS: MOBILE APP DEVELOPMENT | USABILITY | TASK MANAGEMENT

Portfolio & Digital Content Work [Personal Brand Development](#)

A continuing body of web, design and content work that presents projects and communicates ideas clearly.

- Built a personal portfolio to bring together technical projects, creative work and professional identity.
- Create project promotions, visual content and short-form video for student and business audiences.

FOCUS: PORTFOLIO DESIGN | GRAPHIC DESIGN | VIDEO EDITING | CONTENT CREATION

LEADERSHIP, CREATIVE & ATHLETIC ACHIEVEMENTS

School Leadership & Creativity

- Served on the leadership boards of five school societies, including as President.
- Received awards and recognition in more than 20 school photography competitions.
- Developed visual storytelling, creativity and student leadership through society and photography work.

Athletics & Discipline

- Sri Lanka Under-19 Long Jump - Third Place.
- School sports-meet champion for three consecutive years.
- Sports-meet record holder, with additional divisional and district-level certificates.

WHAT I BRING

A developing technology professional who combines leadership, design awareness, entrepreneurship and real-world project work. I enjoy taking a real problem, planning a clear solution and building an experience that people can use.
